

## Opel Vivaro Rental Rates

In its longest version, the Vivaro provides generous accommodation and luggage space. In its standard 9-seats configuration, it offers up to 1.8m<sup>3</sup> load volume, and to increase this load area, you can simply and easily fold down the third row of seats. Should you need even more space, the second and third rows can be removed, thus offering up to 6m<sup>3</sup> load volume and 2.83 m load length.

This vehicle offers a 6-speed manual transmission and a 100-hp engine. It also has the following options: reversing camera, navigation system, front and rear A/C, armrests and side sliding windows. The two second row external seats are equipped with Isofix fastening system for child seats.
